All of our Children's Programs are geared towards children over the age of 13, so there are not any conflicts with commercial regulations to worry about and we do not have a commercial certification letter.

I am sending this email to the traffic and programming contacts I have at each of our affiliates, if someone else handles the FCC report for your station, please let me know and I will add them to this email for future reference.

Feel free to email me if you have any questions.

Best,
 Christina
